The Zimbabwe Stock Exchange Limited (“ZSE”) joined the nation in raising funds towards the fight against the spread of Covid-19 virus through a commitment to donate the ZSE levies collected from trades executed from the 24th to the 30th of April 2020. The ZSE wishes to advise stakeholders that the amount collected totalled ZWL\$144,234.10.

The total amount raised, and an additional amount from ZSE will be used to procure 100 infrared thermometers to be donated to the Ministry of Health and Child Care. Infrared thermometers have been identified as essential tools in the screening for potential Covid-19 symptoms.
