**PUBLIC NOTICE**  
**Invitation for comments on the Zimbabwe Stock Exchange  
Green and Social Bonds Framework**

As part of the efforts by the Zimbabwe Stock Exchange Limited (“ZSE”) to encourage sustainability and offer investors a wider variety of investment instruments, the ZSE has commenced work on guiding principles for the issuance of Green and Social Bonds in Zimbabwe. The ZSE has drafted a Green and Social Bonds Framework which is meant to act as a guide on the operational regulatory environment on Green and Social Bonds in Zimbabwe and the procedure for listing and trading of Green and Social Bonds.

ZSE believes it is important to facilitate offerings and listings by continually enhancing its rules to accommodate new products and services. It is to this end that the ZSE is seeking comments from stakeholders on the proposed Green and Social Bonds Framework. The closing date for receiving comments is 30 November, 2019 and a soft copy of the draft Green and Social Bond Framework is available on our website. You can follow this link <https://bit.ly/2KKERif>

The ZSE is adopting a consultative approach to derive maximum benefit from the practical experiences and knowledge of our stakeholders and to ensure we incorporate market needs in the framework. As such, the insights and comments submitted by stakeholders will be collated and submitted by the ZSE for regulatory approval.

You can submit your comments in writing to the Marketing and Business Development Executive, 44 Ridgeway North, Highlands, Harare, or email [lmushanguri@zse.co.zw](mailto:lmushanguri@zse.co.zw) or [info@zse.co.zw](mailto:info@zse.co.zw)

Your participation in this exercise will be greatly appreciated.

For and behalf of the Zimbabwe Stock Exchange Limited
