DONATION OF ZSE TRADING LEVIES TO AID THE FIGHT AGAINST THE COVID-19 PANDEMIC

Following the declaration of Covid-19 as a national disaster, the Zimbabwe Stock Exchange Limited (“ZSE”) joins the nation in raising funds towards the fight against the spread of this pandemic. To this end, the ZSE levies collected from trades executed from the 24th to the 30th of April 2020 will be donated to the Ministry of Health and Child Care to aid in the efforts being implemented to contain the spread of Covid-19.

We therefore urge other capital market players and the investing public to partner with us as we contribute to this worthy cause. Your support will definitely make a difference.
