CEO's Easter Holiday Message

It is the Easter holidays, a period where we take time to be with family and friends. Due to Covid-19, it has been a difficult start to the year but we are grateful that as a nation we have fared relatively better and the vaccination programme spearheaded by our Government will help us return to normalcy soon.

I wish you a joyous Easter holiday and encourage you to take time and start planning for holidays to come. Investing on securities listed on the stock exchange is one way of planning for the future and you can determine your future spending by your actions today. Get in touch with a stockbroker or financial advisor if you are a first time investor and for the seasoned, you can join our growing online trading platform, ZSE Direct, by registering on www.zsedirect.co.zw

The ZSE will be closed from Friday 02 April to Monday 05 April 2021, and will reopen on Tuesday 06 April 2021.

Remember to stay safe and to continue observing the Covid-19 precautions as directed by health officials.
