Vacancy: Chief Financial Officer

The Organisation

The Zimbabwe Stock Exchange is the largest Stock Exchange in Zimbabwe, and it is going through a growth phase. This is evidenced by the number of new products, services, and markets the organisation has recently introduced. These include the Victoria Falls Stock Exchange, the Zimbabwe Receivables Market, ZSE Direct, and Exchange Traded Funds.

About the role

The Chief Financial Officer (CFO) role is a newly created position within the Senior Management Team. The CFO will be reporting to the CEO and will be working closely with the Senior Management Team, and the Board of Directors to drive the financial strategy of the organization. The CEO wants to hear from candidates who will bring energy, insight, and experience that can keep up with the growth of the business.

What will you be doing?

The CFO will be required to achieve the following key responsibilities:

- Providing leadership, direction, and management of the finance, accounting, administration, and HR team
- Managing the processes of financial forecasting, budgeting and financial reporting
- Providing strategic financial recommendations to the CEO, members of the Senior Management Team and the Board of Directors
- Advising on long-term business and financial planning

What are we looking for?

To successfully fill this role, you will have the following:

- A degree in Accounting or any Financial related field from a reputable university
- Chartered Accountant qualification is a must
- At least five years post qualification experience
- Well organized and methodical with excellent accuracy and attention to detail
- Dynamic and flexible as a team player with good communication skills
- You are currently a CFO, or a strong Finance Manager or Audit Manager looking for your next big role in your career
