## Executive Movements

StarAfrica Corporation Limited wishes to advise that, for personal reasons, Mr. Regis Mutyiri will be leaving the company, having served the company for 15 years, six of which as Chief Executive. Under his leadership, the company successfully implemented the Secondary Scheme of Arrangement with creditors, restructured the portfolio and returned the business to profitability. The company is grateful for his service and wishes him well for the future.

Mr. Regis Mutyiri

The company also takes this opportunity to advise of the appointment of Engineer Robson Nyabadza as Chief Executive, effective 1 February 2022. Prior to this move, Engineer Nyabadza was Chief Technical Officer for the company. He is a Chartered Electrical & Electronics Engineer with vast experience in sugar refining, mining and manufacturing, project management and general management at senior executive level. He has been instrumental in the re-tooling of the sugar refining plant, which is crucial to increasing production, improving plant efficiencies, product quality and growing sales locally and regionally.

Eng. Robson Nyabadza

The Board congratulates Engineer Nyabadza on his appointment and wishes him success as the business strives to improve all-round technical efficiencies and business viability
