

CAUTIONARY STATEMENT

Further to a Cautionary Statement published on 3 August 2022, the Directors would like to advise Shareholders and the general public that negotiations for the disposal of certain idle assets, whose outcome could have a material effect on the business and the share price, are still in progress. Shareholders are, therefore, advised to continue to exercise caution and to seek professional advice when dealing in the Company's shares.

By Order of the Board

M Munginga
Company Secretary
